About Our Program:

The academic portion of the camp begins promptly at 8:00 a.m. Students will either begin the day with Math or ELA. Students will have a recess break at 9:45 where they may eat a snack and play outside. They will then switch classes. At 12:00 students will be dismissed from their classrooms. Parents, please enter the school to sign your student out. Students who are also participating in the summer camp portion will be walked downstairs to our after school program where they will eat their lunch from home. Students will be provided with a midday snack around 2:00. A calendar of activities scheduled for the week will be provided every Monday. Summer camp students will be signed out and picked up at the elementary lunch tables. Those attending extended care will stay until picked up by a guardian or until closing time at 6 p.m.
